TEST PREP

To,
The Principal,

SUBJECT: Proposal for soliciting your School's participation in '**FAB TEACHER AWARD**'
- a felicitation bestowed on the most Fabulous Teacher, presented by Qpundits

Respected Sir/Ma'am,

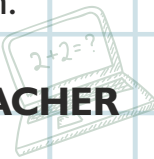

Qpundits presents "**FAB TEACHER AWARD 2025**", a quest through which we acknowledge the teachers who work tirelessly in helping students stand firmly on their feet.

This initiative is aimed at empowering each student with the opportunity to acknowledge that 'One' teacher who he or she feels has been instrumental in shaping their thoughts and inspiring their identity.

With a little gesture, we would like to join hands with you and endeavor to make the teachers feel proud of the nature of benefits they are contributing, grand enough to make a remarkable difference in the lives of students.

"**FAB TEACHER AWARD 2025**" will be conferred on teachers who will have the maximum nominations from their students. They will be felicitated by an Online Certificate alongside a plaque to the principal & to the coordinator (representative coordinating the activity). By conferring this award, we help teachers in realizing the fact that they are extraordinary as well as rejuvenate and ignite new passions and competence in them.

In accordance with this, we would like to solicit your participation to the "**FAB TEACHER AWARD 2025**" and oblige us by allowing us to confer the amazing teachers with this recognition.

Anticipating an affirmative response from your end.

About the 'FAB Teacher' Initiative

In a nutshell the "FAB Teacher Award 2025" is initiative by Qpundits to felicitate exemplary educators. The role of teachers in molding the future of not just students but also this nation as a whole is always understated and taken for granted. They are the sculptors on whom depends the paramount quest of giving to the nation a host of individuals who are both intellectually sound and morally aware.

This Endeavor by Qpundits aims to acknowledge these indispensable contributors to our nation and make them cognizant of how supremely important they are by felicitating one teacher each (Class group 9th to 12th) from your school for his/her remarkable role of sculpting the students and contributing to their overall development.

Steps to select 'FAB Teacher'

The **Google link** containing the nomination form would be given to your school and the students would be encouraged to nominate one teacher who they feel is their '**Fabulous Teacher**' and has greatly inspired them and contributed to their lives and hence is apt for the title of a FAB Teacher.

This nomination need not be restricted to only their subject teachers and could very well extend to any teacher/support staff of the school who may have at any point in the student's life been instrumental or empathetic thereby leaving a lasting impression on them.

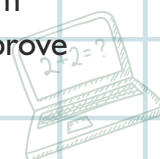

Once filled up, Student can submit the forms within 48hrs of receiving it.

The teacher who would be selected in each of the two groups through majority of votes would be felicitated with Certificate & a Plaque.

With our procedure, which is an amalgamation of unprejudiced modus operandi and several random verifications, we have made sure that the FAB teacher is made to feel special. Not only this, it has prove to be a renewal of their driving force and passion that govern their remarkable work.

"A Teacher, a mentor, a companion and more, You care for our future,
our career and score.

Are you always showered with gratefulness, I ask?

For helping us through this taxing task... of carving our future
with such precision of supervising vigilantly our every decision.
A mere Thank You will not be enough For accomplishing so well,

a job so tough I take a moment and thank the creator As
I Acknowledge you as A FAB TEACHER..."
